1. The Minutes of the Seventh Meeting were reviewed. [redacted] noted that the tasks set forth for the ELINT Evaluation Working Group do not include a cost effectiveness study of ELINT resources.

2. [redacted] discussed a variety of items including the mission of the Working Group, his belief that the Group ought to investigate other approaches beside the evaluation scheme currently being considered, and a possible need for closer liaison with other Groups currently engaged in ELINT studies, such as the DoD Group. [redacted] agreed to prepare a paper citing his concern regarding the usefulness of the current methodology.
